Here, spaces aren't just created — they're experienced

Thoughtfully shaped forms.
Refined materials designed for everyday living.
Furniture that feels natural, intentional, and enduring.

Live the Ambience.

T. R. Venu Gopal
Managing Director, Fabience

Rooted in transparency and guided by decades of experience, Fabience creates furniture made to last.

T.R. VENU GOPAL

Founder & CEO

At the heart of Fabience is the vision of Mr. T.R. Venugopal, a pioneering leader with over 40 years of experience in the interior contracting industry. From humble beginnings, his determination and foresight led to the creation of a world-class furniture manufacturing facility, with one mission — to provide India with premium furniture solutions that were previously imported from abroad.

Our Core Philosophy

Precision machinery, premium materials, expert talent, and transparency.

ABOUT

Fabience is dedicated to creating premium kitchens, wardrobes, and furniture solutions that blend thoughtful design, functionality, and lasting durability. With a strong focus on craftsmanship and innovation, we transform ideas into beautifully crafted spaces tailored to modern lifestyles. Our expertise spans design, engineering, and precision manufacturing, ensuring every product reflects quality and attention to detail.

At Fabience, we believe furniture should not only enhance spaces but also improve everyday living. Driven by passion, creativity, and customer satisfaction, we strive to deliver solutions that combine aesthetics, comfort, and long-term reliability for every home.

THE TEAM : BEHIND FABIENCE

Karan Raj Gopal Takkallapally

Sandeep Polsani

Richie Raj Gopal Takkallapally

The strength of Fabience lies in its people. Our team brings together creativity, engineering expertise, and precision craftsmanship to deliver kitchens, wardrobes, and furniture solutions that stand out for their design, functionality, and durability. With diverse skills across design, manufacturing, and project management, we collaborate closely to transform ideas into reality, ensuring every detail is thoughtfully executed. We believe that great products are created when innovation meets experience, and our team works passionately to maintain the highest standards at every stage of the process.

At Fabience, teamwork and commitment drive everything we do. From understanding client requirements to developing customized solutions, our professionals focus on delivering excellence through careful planning, quality materials, and expert execution. Every member of our team contributes unique knowledge and experience, allowing us to create furniture and interior solutions that not only meet expectations but also enhance everyday living with lasting value, comfort, and timeless appeal.

"The details are not the details.
They make the design."

SOFA’S

This sofa features a striking sculptural silhouette with softly rounded curves that create a cocoon-like form. Upholstered in a rich deep-blue fabric, it exudes sophistication while adding a bold yet inviting presence to the space. The generously cushioned seat and curved backrest provide exceptional comfort, while the seamless upholstery enhances its refined appearance. A low-profile metal base lends a subtle floating effect, balancing the sofa's substantial volume with visual lightness. Blending contemporary elegance with plush comfort, this statement piece is ideal for modern luxury interiors.

Ximena

SO-0001

Material: Upholstery & Wood (Oak / Teak)

This modern minimalist sofa features a distinctive two-tier design with a plush, rounded seat and a floating pill-shaped backrest. Upholstered in textured light grey fabric, it sits on a rich dark wood base with exposed wooden supports, blending organic curves with elegant structural contrast.

COFFEE TABLES

This coffee table blends sculptural simplicity with refined craftsmanship, featuring a softly rounded wooden top supported by bold geometric legs for a grounded, architectural appeal. A subtle metallic accent adds a touch of sophistication, while its spacious surface offers everyday functionality. With its warm finish and contemporary form, it creates an inviting centerpiece for modern living spaces.

Creta

CT-0001

Material: Cane & Wood(oak/teak)

This coffee table blends timeless craftsmanship with organic warmth, featuring a rich wooden tabletop and a beautifully detailed base accented with woven cane panels and fluted wood textures. Its round silhouette creates a soft, inviting presence, while the sculptural pedestal design adds character and stability. Perfect for modern, rustic, or transitional interiors, it serves as a refined centerpiece for relaxed and stylish living spaces.

This coffee table combines modern elegance with functional design, featuring a refined stone-inspired tabletop paired with a warm wooden lower shelf. Sleek metallic supports add a sophisticated touch, while its spacious two-tier structure offers both style and practical storage for contemporary living spaces.

Alwine

CT-0031

Material: Metal, Cane & Wood(oak/teak)

This coffee table blends modern sophistication with timeless warmth, featuring a sleek curved wooden frame accented by woven cane detailing for added texture. Open shelving and integrated drawers provide functional storage, while slender metallic legs lend a refined, contemporary elegance.

SIDE TABLES

This side table showcases a striking blend of craftsmanship and contemporary elegance, featuring a sculptural wooden frame with clean geometric lines and a warm natural finish. The woven fabric detail at its center adds texture and visual depth, while the compact tabletop offers functional versatility, making it an ideal accent piece beside sofas, lounge chairs, or bedside settings.

Lisa

ST-0001

Material: Oak wood & Glass

This side table blends sculptural artistry with natural elegance, featuring gracefully curved wooden elements that create an airy, organic silhouette. Topped with a sleek glass surface, it balances visual lightness with functional durability. The warm wood finish and distinctive craftsmanship make it a refined accent piece, ideal for adding texture, character, and sophistication to contemporary or nature-inspired interiors.

This side table blends modern elegance with functional sophistication, featuring a sleek round tabletop with a refined mixed-material surface that adds visual interest. Supported by slender metallic legs and a sturdy circular base, it offers stability with a lightweight aesthetic. Its warm metallic finish and contemporary silhouette make it a stylish accent piece, perfect for elevating living rooms, reading corners, or lounge spaces.

CONSOLE TABLES

This console table exudes timeless elegance with its beautifully crafted wood finish and refined architectural detailing. Featuring decorative carved patterns along the top edge and classic panel accents, it blends traditional charm with sophisticated craftsmanship. Its clean silhouette and spacious surface make it ideal for displaying décor while adding warmth, texture, and understated luxury to hallways, living rooms, or entry spaces.

Zara

CO-0001

Material: Upholstery & Wood

This console table combines contemporary simplicity with artisanal texture, featuring a clean geometric silhouette wrapped in a refined mosaic finish. The open-frame design creates an airy, modern appeal, while the warm wooden lower shelf adds contrast and practical display space. Elegant yet functional, it brings understated sophistication and natural warmth to entryways, hallways, or living interiors.

Material: Leather & Wood(oak/teak)

This minimalist dining chair features a rich, warm-toned wood frame. It has a sculptural, curved backrest with a distinctive central vertical aperture. The circular, tautly upholstered seat pad is in a light cream color, providing comfort and a clean aesthetic. Simple square legs ground the design against a textured concrete backdrop.

Nadya

DN-0034

Material: Upholstery & Wood(oak/teak)

This sophisticated modern chair features a distinctive frame composed of wide, dark-stained wood panels. The continuous curved back and plump oval seat are expertly upholstered in soft, cream-colored boucle fabric. This architectural piece masterfully contrasts rich grain with tactile texture, blending artisanal craft and bold style into a single, comfortable statement.

Alisa

DN-0035

Material: Upholstery & Wood

This modern minimalist sofa features a distinctive two-tier design with a plush, rounded seat and a floating pill-shaped backrest. Upholstered in textured light grey fabric, it sits on a rich dark wood base with exposed wooden supports, blending organic curves with elegant structural contrast.

Anya

DN-0036

Material: Upholstery & Wood

This dining chair blends sculptural elegance with everyday comfort, featuring a distinctive curved backrest with a circular cut-out detail that adds a bold design statement. Crafted in warm wood tones and paired with a soft boucle upholstered seat, it offers both visual warmth and comfortable seating, making it ideal for modern, contemporary dining interiors.

BAR CABINET & CHAIR

Bar cabinet showcases a sophisticated blend of rustic craftsmanship and industrial elegance, featuring richly textured wood surfaces adorned with intricate geometric carvings. The upper storage compartment is highlighted by detailed tribal-inspired patterns and sleek metal handles, creating a striking visual focal point. An integrated wine rack and open shelving provide practical organization while adding depth and functionality to the design. The warm wood tones are beautifully contrasted by the slim antique brass-finished metal frame, lending the piece a refined and contemporary character. Combining storage, display, and serving functionality, this cabinet serves as a stylish statement piece for living, dining, or entertainment spaces.

Birgit

BCAB-0001

Material: Wood Veneer

This bar cabinet embraces a minimalist modern aesthetic, featuring clean geometric lines softened by elegantly rounded corners and edges. The rich walnut-toned wood doors contrast beautifully with the matte black frame and cylindrical legs, creating a bold yet refined visual statement. Its understated silhouette and seamless detailing lend the piece a sophisticated, contemporary character, making it ideal for modern living and entertaining spaces.

BEDS

This bed showcases a sophisticated blend of classic and contemporary design, highlighted by a statement headboard that combines woven cane detailing with intricately carved chevron-patterned wood panels. Finished in a soft teal hue, the frame brings a refreshing yet elegant character to the bedroom while maintaining a timeless appeal. The geometric detailing on both the headboard and footboard adds texture and visual depth, creating a refined handcrafted look. Slender tapered legs and clean architectural lines lend the piece a light and graceful presence, balancing its substantial form. Paired with warm brass accents and layered neutral bedding, the design evokes a relaxed, upscale aesthetic that feels both inviting and luxurious.

Luisa

BED-0001

Material: Upholstery & Wood

This bedroom collection embodies a refined contemporary aesthetic, blending warm wood tones with soft upholstered surfaces for a sophisticated and inviting look. Intricate geometric marquetry patterns on the bed and nightstands create a striking visual focal point, showcasing exceptional craftsmanship and attention to detail. The contrast between the ivory-toned frame and richly grained wood panels adds depth while maintaining a light and elegant presence. Tapered legs, sleek brass-finished hardware, and clean architectural lines lend the collection a timeless appeal with subtle mid-century influences. Thoughtfully balanced between comfort and artistry, the collection brings warmth, texture, and understated luxury to modern bedroom interiors.

This bedroom collection exudes contemporary luxury, combining rich dark wood tones with soft organic curves and elegant Asian-inspired detailing. The oversized upholstered headboard serves as a dramatic focal point, featuring graceful crane motifs that add artistry, movement, and a sense of tranquility to the design. Rounded edges, low-profile forms, and warm brass accents create a refined balance between modern sophistication and timeless craftsmanship. Coordinating nightstands echo the collection's clean lines and premium material palette, enhancing its cohesive and curated appearance. With its serene color scheme and statement-making details, the collection creates a calming yet luxurious retreat that feels both sophisticated and inviting.

BED BENCHES

This bed bench combines sculptural elegance with modern comfort, featuring a generously cushioned upholstered seat wrapped in soft textured fabric for a cozy, refined appeal. Supported by a striking asymmetrical base with bold geometric forms, it creates a unique visual statement. Its sleek silhouette and contemporary design make it an elegant addition to bedrooms, offering both functional seating and sophisticated style at the foot of the bed.

DRESSERS

This cabinet showcases a sophisticated blend of contemporary design and classic detailing, featuring a crisp white frame accented by warm natural wood tones. The upper drawers are fitted with fluted glass fronts that introduce texture and subtle transparency, lending the piece a light and elegant character. A ribbed wood panel on the lower cabinet door adds depth and visual interest while balancing the sleek lines of the design. The white marble top enhances the cabinet's luxurious appeal, complemented by understated brass knobs that provide a refined finishing touch. Elevated on tapered wooden legs, the piece feels airy and modern while offering versatile storage for dining, living, or entryway spaces.

Adelia

DS-0001

Material: Marble & Wood (Oak / Teak)

This chest of drawers exudes contemporary elegance through its sculptural fluted wood façade, which creates a striking interplay of light, shadow, and texture. Finished in a soft grey-washed wood tone, the piece offers a refined and calming aesthetic that complements modern interiors. The white marble top introduces a luxurious contrast, while sleek brass handles and matching metal-capped feet add warmth and sophistication. Rounded corners and gently tapered legs soften the overall silhouette, lending the cabinet a graceful and timeless appeal. Combining functional storage with statement-making design, it serves as a sophisticated focal point in bedrooms, living spaces, or entryway

DS-0017

Material: Oak Wood & Paint

This chest of drawers combines clean contemporary lines with warm natural textures, featuring ribbed wood drawer fronts framed by a soft grey case. The rounded corners, tapered wooden legs, and subtle brass knobs create a refined mid-century-inspired aesthetic. Its balanced mix of materials and understated detailing makes it both functional and visually sophisticated, ideal for modern living and bedroom spaces.

Vitoria

DS-0018

Material: Teak Wood & Metal

This chest of drawers makes a bold statement with its striking geometric marquetry pattern, showcasing a sophisticated interplay of contrasting wood tones. The faceted drawer fronts create a three-dimensional visual effect, adding depth, texture, and a sense of artisanal craftsmanship to the design. Warm walnut finishes are beautifully complemented by brushed brass knobs and a sculptural metal base, lending the piece a refined contemporary character. Clean lines and balanced proportions keep the design modern, while the intricate detailing adds richness and visual interest. Combining functional storage with artistic expression, this cabinet serves as a distinctive focal point in both contemporary and transitional interiors.

CABINETS

This wardrobe blends modern elegance with timeless craftsmanship through its softly rounded silhouette and warm wood finish. The tall mirrored doors feature graceful arched tops that add visual height and sophistication while enhancing functionality. Contrasting ivory-toned side panels soften the overall look, creating a refined and airy aesthetic. Brass-finished knobs and tapered wooden legs lend a subtle vintage touch, complementing the clean lines and understated detailing. The design strikes a perfect balance between contemporary styling and classic charm, making it a versatile addition to both modern and transitional interiors.

ZURIE

CAB-0001

Material: Wood (Oak / Teak)

This wardrobe showcases a refined contemporary design with a rich walnut-toned wood finish that highlights the natural grain and warmth of the material. The upper section features clean, minimalist cabinet doors paired with sleek brass-finished handles, creating an elegant and uncluttered appearance. Vertical fluted detailing across the lower drawers adds texture, depth, and a sophisticated architectural character to the piece. The combination of streamlined forms, warm wood tones, and metallic accents strikes a perfect balance between modern and mid-century influences. Elevated on tapered wooden legs, the wardrobe feels visually light while offering generous and practical storage.

This modern minimalist sofa features a distinctive two-tier design with a plush, rounded seat and a floating pill-shaped backrest. Upholstered in textured light grey fabric, it sits on a rich dark wood base with exposed wooden supports, blending organic curves with elegant structural contrast.

This living room is a beautiful example of Organic Modern design, blending a serene, neutral palette with rich textures and soft, sculptural shapes. The standout feature is the deep moss-green velvet chair, which provides a sophisticated pop of color against the warm beige "limewash" walls and natural jute rug. The furniture choices—like the fluted oval coffee table and the wavy, carved side table—add a contemporary artistic flair while maintaining a cozy, grounded feel. With its tall windows, soft linen drapes, and minimalist decor, the space feels incredibly airy, tranquil, and thoughtfully curated for relaxation.
